Full benefits & retirement savings package

Job Description:

CityScape Engineering is seeking a CAD Designer to support the production of site construction drawings for our green infrastructure and community redevelopment projects in and around Baltimore City, Maryland. Work will involve the preparation of plan sheets, pipe profiles, 3D surfaces, construction details, and specifications associated with civil engineering design using AutoCAD Civil 3D software. Designers will also be responsible for estimating the quantities and cost of construction projects. Design tasks will be collaborative with other team members, and Candidates are expected to travel to and work from our office in Baltimore City, Maryland.

About CityScape Engineering

CityScape Engineering is a civil engineering firm specialized in urban green infrastructure, stormwater management design, site design and permitting assistance for revitalization, redevelopment, and environmental restoration site projects. We believe connection to nature is essential to human well-being. We work to green the urban environment and advance community supported revitalization through inspired engineering and design. CityScape is a certified woman-owned MBE/DBE/SBE firm by MDOT and Baltimore City to provide civil engineering, environmental consulting, and landscape design services. Visit our website for more information: <https://www.baltimorecityscape.com/>

Required Experience and Skills:

- Proficient with Microsoft Office (Word, Excel, PowerPoint)
- CAD Certification, 2-year CAD Degree, or equivalent work experience;
- Proficient with AutoCAD (Civil 3D preferred) and/or Microstation design software
- Knowledge of CAD drafting procedures and standards
- 2 or more years of professional work experience preparing construction documents in the civil engineering, land development, or architectural industry
- Applicants should have a passion for promoting innovative and equitable urban design solutions for community greening and revitalization projects.

Benefits include:

- Competitive salary (commensurate with experience)
- Paid holiday, sick and vacation time
- Health/Dental/Vision insurance (Full-time only)
- Lifetime Health Savings Account for tax free health savings (Full-time only)
- Short-term and long-term disability insurance (Full-time only)
- Retirement plan with employer match (Full-time only)

- Professional membership and Continuing Education support
- Flexible work schedule, as needed
- Company vehicle for work related use during work day, we support non-car commutes to the office
- Dog-friendly office
